

# FlyAway (An Airline Booking Portal)

## Output:

A screenshot of a web browser displaying the FlyAway Home Page. The browser's address bar shows the URL `http://localhost:8080/FlyAway/HomePage.jsp`. The page features the FlyAway logo in the top left corner. In the top right corner, there is a link labeled [Admin Login](#). On the left side, there is a link labeled [User Login](#). The central part of the page contains a search form enclosed in a rounded rectangle. This form includes four input fields: 'From :-', 'To :-', 'Departure :-', and 'Travellers :-'. Below these fields are two buttons: 'Search' and 'Reset'.

A screenshot of a web browser displaying the FlyAway User Page. The browser's address bar shows the URL `http://localhost:8080/FlyAway/UserPage.jsp`. The page features the FlyAway logo in the top left corner. In the center, there is a section titled 'User Login' above a login form enclosed in a rounded rectangle. This form includes two input fields: 'Email' and 'Password'. Below these fields are two buttons: 'submit' and 'Reset'. At the bottom left of the page, there is a link labeled [New User-Create account](#) and a link labeled [Create Account](#).
